**CITIZENSHIP By  
INVESTMENT PROGRAM**

## ABOUT DOMINICA

Dominica is an island nation in the Caribbean Basin, lying between the French overseas territories of Guadeloupe and Martinique. The official name is the Commonwealth of Dominica (to be distinguished from the Spanish-speaking Dominican Republic).

It is mostly known as “the Nature Island of the Caribbean” for its unspoiled natural beauty-green mountains covered with lush rain forests, countless rivers and waterfalls - an absolute paradise for an outdoor adventurer.

Mahandru Associates is one of the most reputable and authorized institutions in the MENA region in regards to Dominica Citizenship by investment program with a great record of success in previous applications of multiple high net worth individuals from different backgrounds.

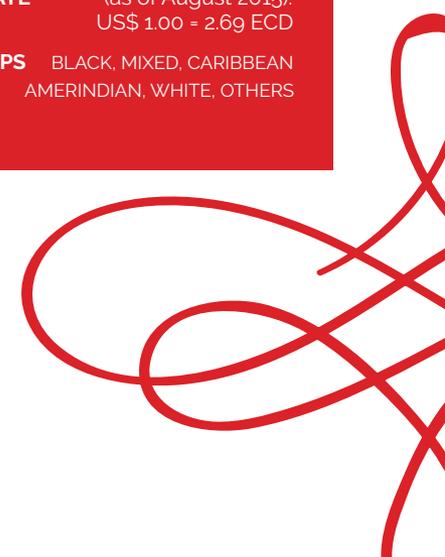

We pride ourselves in being one of the few institutions authorized by the Dominica government in handling the investment program while providing the most competitive price.
