

Lithuania

WORK PERMIT
(SKILLED PROFESSIONALS/UNSKILLED LABOR)

ABOUT LITHUANIA

Lithuania is ranked among the fastest growing economies in the European Union. It offers investors a diversified economy, a skilled workforce, low corporate taxation, the best developed road network in the region and a stable and democratic political system.

The country is a member of the European Union and at the same time it is close to the eastern European countries. Lithuanian legislation offers equal protection for both foreign and domestic workers.

Mahandru Associates has been providing foreign employment services and the associated legal and residency matters for various professionals of different caliber in the larger European region through our extensive network of establishments throughout the continent.
